## **Nupercainal® Bio-Active™ Hemorrhoidal Suppositories**

### ***Drug Facts***

#### **Active ingredients**

Proprietary herbal blend 2x:

- Echinacea purpurea
- Centella asiatica
- Sambucus nigra

#### **Purpose**

relief of internal hemorrhoids

#### **Use**

- helps relieve the local itching and discomfort associated with hemorrhoids
- temporarily relieves burning and shrinks hemorrhoidal tissue
- temporarily provides a coating for relief of anorectal discomforts
- temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

#### **Warnings**

##### **For rectal use only**

**When using this product** do not exceed the recommended daily dosage unless directed by a doctor.

##### **Stop use and ask a doctor if**

- bleeding occurs
- condition worsens or does not improve within 7 days

**If pregnant or breast-feeding**, ask a health care professional before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a poison control center right away.

#### **Directions**

- adults: when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe
- gently dry by patting or blotting with a tissue or a soft cloth before insertion of this product
- detach one suppository from the strip; remove the wrapper before inserting into the rectum as follows:
  - hold suppository with rounded end up
  - as shown, carefully separate tabs by inserting tip of fingernail at end marked "peel down"

- slowly and evenly peel apart (do not tear) by pulling tabs down both sides, to expose the suppository
- remove exposed suppository from wrapper
- insert one suppository into rectum up to 4 times daily, especially at night, in the morning or after each bowel movement
- children under 12 years of age: ask a doctor

#### **Other information**

- store at 20-25°C (68-77°F)

#### **Inactive ingredients**

hydrogenated cocoglyceride base, cocoa butter, propylene glycol

#### **Questions?**
