

HAND SANITIZER GEL- hand sanitizer gel gel

The Source Design Collections

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Benzalkonium Chloride 0.13%

Antiseptic

Uses

Hand sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Water(aqua), propylene glycol, hydroxyethylcellulose, phenoxyethanol, alcohol

Directions

Place enough product on hands to cover all surfaces. Rub hands together until dry.

For external use only.

Do not use on open skin wounds or children under 2 months of age.

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a poison control center immediately.

Other information

Store in a cool dry place, away from direct sunlight and heat.
