Crown Chakra

Soul Wipe is a Hand Sanitizing wipe; infused with essential oil and healing crystals amplifying the frequency of each of your Chakras.

Pairing these two ancient modalities of essential oils and crystals aids the balance of a Chakra. Combining crystals and essential oils helps to raise your energy levels allowing you to take a breath, slow down and remember who you are.

The Crown Chakra is located at the top of the head. Color Bright White or Violet. Element Spirit. The Chakra connects us to the Universe. This is our connection with Divinity; it is the portal through which the life energy enters our body.

Palo Santo Oil, also known as "Holy Wood", has a very high spiritual frequency. The oil is used in rituals for healing, balancing, and opening to higher realms. The oil of Vetiver has been used to bridge the gap between matter and Spirit, allowing one to open up to Spirit, while remaining grounded and fully supported here on earth.

The Clear Quartz Crystal is a white crystal that is considered a "Master Healer." It's said to amplify energy by clearing out blockages and connecting with all the chakras. Got your vital force your prana flowing harmoniously.
