Disinfectant wipes kill 99.9% of germs, help preventing the spread of bacteria, flu, and coronavirus. The wipes remove dirt, provide a better sanitation than hand sanitizers. They're ideal for quick clean-ups after contact with germs, sticky foods, greasy dirt and everyday messes. Antibacterial wipes are formulated to be tough on dirt and germs, yet gentle on skin. They help to keep your family healthy and clean anytime and anywhere, even if soap or water is unavailable.
