\* The letters 'HPUS' indicate that the components in this product are officially monographed in the Homeopathic Pharmacopœia of the United States.

***Also Contains Certified Organic Oils:***

East Indian Lemongrass, Lavandin Super, Pelargonium Graveolens Leaf Oil, Tea Tree, Palmarosa oil, Eucalyptus oil.

**Directions**

Apply 2-3 drops on moistened swab and dab to problem area 3-4 times per day during an outbreak. For best results use immediately and often at the very first signs of an outbreak or when you feel one coming on. Use of this product during the prodromal phase (tingling some experience before an outbreak) may improve results. Wash hands after use. Avoid contact with eyes.

**Warnings**

**Viral infections are contagious, and this product will not prevent the spread of the virus that causes herpes or any other virus.**

Some individuals may be sensitive to tea tree or other oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children.

If accidental ingestion of more than several drops, get medical help or contact a Poison Control Center.

For external use only. Avoid contact with eyes. Stop use and ask a doctor if condition worsens or symptoms last more than 7 days.
