Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

DRUG FACTS

Active Ingredient

Phenazopyridine Hydrochloride 95 mg

Purpose

Urinary Analgesic

Uses

fast relief from urinary pain, burning, urgency and frequency associated with urinary tract infections.

Warning

Do not exceed recommended dosage

Do not use if you have Glucose-6-Phosphate Dehydrogenase (G6PD) deficiency unless approved by your physician

Ask Doctor before use if you have

- kidney disease
- allergies to foods, preservatives or dyes
- had a hypersensitive reaction to Phenazopyridine

When using this product

- When using this product stomach upset may occur, taking this product with or after meals may reduce stomach upset
- your urine will become reddish-orange in color. This is not harmful, but care should be taken to avoid staining clothing or other items.

Stop use and ask a doctor if

- your symptoms last for more than 2 days

- you suspect you are having an adverse reaction to the medication

Long-term administration of phenazopyridine hydrochloride has induced neoplasia in rats (large intestine) and mice (liver). Although no association between Phenazopyridine hydrochloride and human neoplasia has been reported, adequate epidemiological studies along these lines have not been conducted.

If pregnant or breast feeding

ask a health professional before use.

Keep out of the reach of children

in case of an overdose, get medical help or contact a Poison Control Center right away 1-800-222-1222.

Directions

- Adults and children 12 years and over: take 2 tablets 3 times daily with a full glass of water, with or after meals as needed
- **Children under 12 years:** consult a doctor
- **Do not use for more than 2 days (12 tablets) without consulting a doctor**

Other Information

- this product may stain contact lenses
- this product can interfere with laboratory tests including urine, glucose (sugar), and ketones test
- Store at room temperature 15-30C (59-86°F) in a dry place and protect from light

Inactive Ingredients

lactose, corn starch, croscarmellose sodium, microcrystalline

cellulose, hypromellose, magnesium stearate, polyethylene glycol, polyvinylpyrrolidone, sodium starch glycolate,

pregelatinized starch, silicon dioxide, talc, and triacetin.
