Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

WinCo Max. Strength Oral Gel 0.42oz (24115)

Active ingredient	Purpose
Benzocaine 20%.....	Oral pain reliever

Uses

For the temporary relief of pain due to:

- toothache
- canker sores
- gum pain
- denture pain
- cheek bites

Warnings

Methemoglobinemia warning: Use of this product may cause methemoglobinemia, a serious condition that must be treated promptly because it reduces the amount of oxygen carried in blood. This can occur even if you have used this product before. Stop use and seek immediate medical attention if you or a child in your care develops:

- pale, gray, or blue colored skin (cyanosis)
- headache
- rapid heart rate
- shortness of breath
- dizziness or lightheadedness
- fatigue or lack of energy

Allergy Alert: do not use this product if your child has a history of allergy to local anesthetics such as procaine, butacaine, benzocaine or other "caine" anesthetics.

Do not use

- more than directed
- for more than 7 days unless directed by a doctor
- for teething
- in children under 2 years of age

Stop use and ask a doctor if

- sore mouth symptoms do not improve in 7 days
- irritation, pain or redness does not go away
- swelling, rash or fever develops

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison

Control Center (1-800-222-1222) right away.

Directions

- Adults and children 2 years of age and older: Remove cap and cut tip of tube. Apply a small amount of product to the cavity and around gum surrounding the teeth. Use up to 4 times daily or as directed by a dentist or doctor.
- Children under 12 years of age: Should be supervised in the use of this product.
- Children under 2 years of age: Do not use.

Other information

- store at room temperature 20-25°C (68-77°F)
- this preparation is intended for use in cases of toothache, only as a temporary expedient until a dentist or doctor can be consulted. Do not use continuously.

Inactive ingredients

glycerin, peppermint oil, polyethylene glycol 400, polyethylene glycol 4000, saccharin sodium, sorbitol
