

**NEWFOLIC- folic acid and vitamin d3 capsule**  
**Trell Pharma**

-----  
**NewFolic**

**STATEMENT OF IDENTITY**

**NewFolic**

**Other Ingredients:** Microcrystalline Cellulose, Magnesium Stearate & Vegetable Capsules

**NewFolic** is an orally administered prescription folate product for the dietary management of patients with unique nutritional needs requiring increased folate levels and Vitamin D supplementation due to Vitamin D deficiency.

**NewFolic** is manufactured in accordance with Current Good Manufacturing Practice for foods, using ingredients that have been approved by the U.S. Food and Drug Administration (FDA) as food additives or are Generally Recognized as Safe (GRAS) for their intended use.

**DOSAGE**

Usual Adult dose is one capsule once daily, or as prescribed by a licensed medical practitioner.

If you are pregnant or nursing, ask a healthcare professional.

**NewFolic** should be administered under the supervision of a licensed medical practitioner.

**WARNINGS AND PRECAUTIONS**

**This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.**

**NewFolic** should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

Each tablet contains:

Folic Acid .....1700 mcg DFE

(Folic Acid 1000mcg)

Vitamin D3 (Cholecalciferol) ..... 75 mcg

(3000 IU)

Tell your doctor if you have: kidney problems, thyroid disease. This medication should be used as directed during pregnancy or while breast-feeding. Consult your doctor about the risks and benefits.

Folic Acid alone is improper therapy in the treatment of pernicious anemia and other megaloblastic anemias where Vitamin B12 is deficient. Folic acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations progress.

Allergic sensitization has been reported following both oral and parenteral administration of folic acid.

You should call your doctor for medical advice about serious adverse events. To report adverse side effects or to obtain product information, contact PureTek Corporation, at 1-813-576-1843.

## **KEEP OUT OF REACH OF CHILDREN**

## **STORAGE AND HANDLING SECTION**

Store at 20°-25°C (68°-77°F); excursions permitted to 15°-30°C (59°-86°F) [see USP Controlled Room Temperature].

Protect from heat, light and moisture.
