P25 Progesterone Cream

DRUG FACTS

Active Ingredients

Micronized Progesterone USP (Wild Yam) 2.5%

This is a topical cream that contains bio-identical progesterone derived from wild yam. When applied to the skin it can help balance your hormones and provide temporary relief from menopausal symptoms such as hot flashes.

USES: This is a topical cream that contains bio-identical progesterone derived from wild yam. When applied to the skin it can help balance your hormones and provide temporary relief from menopausal symptoms such as hot flashes.

DIRECTIONS:

Apply once or twice a day. Massage into inner arms, thighs, chest or apply to inner forearm and rub arms together or use as directed by your Physician.

WARNING: FOR EXTERNAL COSMETIC USE ONLY. Discontinue use if irritation or red skin develops, and consult a Physician. If pregnant, nursing, or if you have a serious medical condition consult a healthcare professional before using this product. Do not use with any other progesterone or progestins. Do not use if tamper-evident seal is broken or missing. California Prop 65 Law requires this statement: This product contains progesterone, a chemical known only to the State of California to cause cancer. Cease using this product and seek medical attention if skin irritation or other negative reactions occur. **KEEP OUT OF REACH OF CHILDREN.**

If pregnant or nursing or if you have a serious medical condition consult a healthcare professional before using this product.

Keep Out of Reach of Children.

Apply once or twice a day. Massage into inner arms, thighs, chest or apply to inner forearm and rub arms together or use as directed by you physician.
