Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

HyVee Blemish Controlling Apricot Scrub

Active ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment

Uses

for the treatment of acne.

Warnings

For external use only

When using this product

• skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs only use one topical acne medication at a time. • avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

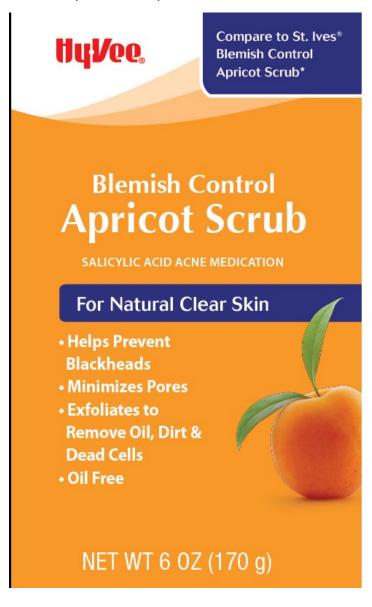

• cover the entire affected area with a thin layer and rinse thoroughly one to three times daily• if bothersome dryness or peeling occurs, reduce application to once a day or every other day• because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

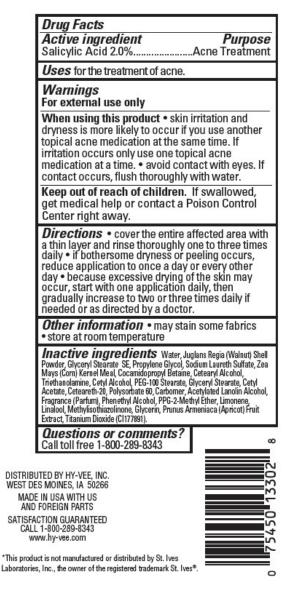

Other information

•may stain some fabric •store at room temperature
