

PEGASUS - FIRE DESIRE- zinc gluconate capsule
SAMSON PHARMACEUTICAL

PEGASUS™
FIRE DESIRE

Directions

Take one capsule 60-90 minutes prior to sexual activity. Do not take with food, it works best when taken in between meals, or at least one hour after eating.

Warning

Consult with a physician to determine if this product is safe for you to use or not. This product contains herbs, powders and extracts that can have an effect on your health. Do not take this product if you are taking any drug, alcohol, caffeine or any ingredient that increases energy or affects blood pressure higher or lower. This product is not intended to cure any disease or condition. Do not take if you have any heart issues, high blood pressure, liver issues, or any condition you are being treated for. Consult with your physician before you take this product or any sexual enhancement product. Keep out of reach of children.

Caution

Do not take more than one capsule per 24 hour period.
