

**ACNE FREE FREE 24 HR ACNE CLEARING SYSTEM- benzoyl peroxide
AcneFree, LLC**

Acne Free Oil Free 24 HR Acne Clearing System KIT

Drug Facts

Active ingredient

Benzoyl peroxide 2.5%

Purpose

Acne treatment

Use

for the treatment of acne

Warnings

For external use only

Do not use

if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

skin irritation becomes severe

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- use every morning and evening
- apply a dime-size amount to damp skin and gently massage, avoiding the eye area
- rinse well
- use wash on entire affected area one to two times daily
- because excessive drying of the skin may occur, start with washing once daily, then gradually increase to two times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce cleansing to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.
- may be used on chest or back

3 STEPS WORK 24 HOURS EVERYDAY

TREAT AND CARE INGREDIENTS

TREAT ACNE
Micronized Benzoyl Peroxide is designed to have fast absorption and deep penetration into pores to treat and help prevent new acne blemishes. When used as directed, micronized Benzoyl Peroxide is released throughout the day and night. The cleanser and lotion in this kit contain Benzoyl Peroxide at different concentrations.

CARE FOR SKIN
Glycolic acid helps enhance skin renewal for a fresh and smooth complexion. The cleanser and toner contain Glycolic Acid (a type of AHA) at different concentrations. Witch Hazel is a naturally derived astringent compound derived from the Witch Hazel shrub. This ingredient is present in the toner. Ceramides are a type of lipid molecule that help keep moisture in the skin. Ceramides are contained in the wash and lotion. Aloe Vera plant is known for its soothing properties. Aloe Vera leaf juice is contained in the toner.
