**Warnings**

**When using this product**

- Avoid apply to the area around the eyes or inside the nose.

**Keep out of reach of children**

**Store at room temperature**

- Avoid direct sunlight and high temperatures.

**After use, keep the lid tight.**

**Directions**

- 1) Apply to skin twice a day, morning and evening.
- 2) We recommend trimming as much as possible from the infected area before application to promote faster healing.
- 3) Because of cats' very sensitive skin, start with a very small amount using a cotton swab and increase gradually. Starting with a large amount could possible cause redness of the skin.
- 4) In the very rare event that redness should occur, it is a temporary symptom that will be disappear after several applications.
