G02 Therapy

pac

gO2 therapy is designed for enhancement & recreational purpose only. This product is not meant for treating, preventing or curing any disease.

gO2 therapy is not a replacement for any existing medical device or prescription.

gO2 therapy is 100% natural and does not have any known side effects.

Consult a licensed medical practitioner before using on children below 10 years of age, pregnant women and patients with any existing medical conditions or history of serious illnesses.

The bottle is filled with 99% pure Oxygen. Although, only 95%-99% of oxygen will be effective as a perfect vacuum is not feasible.

How to use:

1. Remove the cap by gently pulling upwards.
2. Press the trigger to activate the flow.
3. Breathe deeply through mouth/nose.

The can contains 18L of high purity oxygen at 24 °C. The change in temperature may cause minor change in volume

Package Labeling:

OXYGEN IS LIGHTWEIGHT

This can contains 25.7 grams (18 litres) of Pressurized Oxygen.
