

COMFORT SHIELD BARRIER- dimethicone cloth
Sage Products LLC

Comfort Shield Barrier Cream Cloths

Active Ingredient

Dimethicone 3%

Purpose

Skin protectant

Uses

- helps seal out wetness
- helps treat and prevent perineal dermatitis
- protects from minor skin irritation associated with perineal dermatitis

Warnings

For external perineal use only.
Avoid contact with the eyes.

Stop use and consult a doctor if condition worsens or does not improve within 7 days

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away

Directions

- remove wet and soiled garment
- cleanse soiled area using a fresh barrier cream cloth
- discard cloth after use - DO NOT FLUSH CLOTHS
- use as often as necessary, especially if prolonged exposure to wetness is anticipated
- for individual use only
- reseal label between uses
- discard package immediately if cloths are dry

If warming is desired:

- peel open label without completely removing it
- heat entire package in microwave no longer than [see package for time].
- since microwave wattage varies, adjust heating time accordingly
- Comfort Shield® may also be used at room temperature or warmed in a Comfort Personal Cleansing Warmer.
- Caution: If there is any indication barrier cloths are excessively hot, do not use
- Remember, gloves diminish your sensitivity to heat

- Closely monitor heat level with infants, unresponsive or skin sensitive individuals

Inactive Ingredients

Water, glyceryl stearate, PEG-100 stearate, isopropyl palmitate, cetyl alcohol, glycerin, stearyl alcohol, phenoxyethanol, methylpropanediol, chlorhexidine gluconate, hydroxyethyl cellulose, ethylhexylglycerin, polyquaternium-37, propylene glycol dicaprylate/dicaprate, glucono-delta-lactone, PPG-1 trideceth-6

Barrier cloths: cellulose fiber/polyester (PET) fiber
