

**ZICAM ALLERGY RELIEF- galphimia glauca flowering top, histamine dihydrochloride, luffa operculata fruit, and sulfur spray
Church & Dwight Co., Inc.**

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Zicam ® Allergy Relief Nasal Spray

Active Ingredients

Galphimia glauca 12x, 30x

Histaminum hydrochloricum 12x, 30x, 200x

Luffa operculata 4x, 12x, 30x

Sulphur 12x, 30x, 200x

Purpose

Upper respiratory allergy symptom relief

Uses

- Effective Relief of Allergy Symptoms:
 - runny nose
 - itchy nose
 - watery eyes
 - sneezing

Warnings

For nasal use only.

Ask a doctor before use if you have

- ear, nose, or throat sensitivity
- susceptibility to nosebleeds
- breathing problems such as emphysema or chronic bronchitis

When using this product

- avoid contact with eyes. Rinse right away with water if it gets in eyes and seek medical help right away.
- the use of this container by more than one person may spread infection
- temporary discomfort such as burning, stinging, sneezing, or an increase in nasal discharge may occur

Stop use and ask a doctor if symptoms persist or are accompanied by fever

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 years of age and older:
 - remove cap and safety clip (also see illustrations on side of carton)
 - hold with thumb at bottom of bottle and nozzle between your fingers
 - before using the first time, prime pump by depressing several times
 - place tip of nozzle just past nasal opening (approximately 1/8")
 - while inside nasal opening, slightly angle nozzle outward
 - pump once into each nostril
 - after application, press lightly on outside of each nostril for about 5 seconds
 - wait at least 30 seconds before blowing nose
- use once every 4 hours
- optimal results may not be seen for 1-2 weeks. After 1-2 weeks, you may need to use only 1-2 times daily. For best results, use up to 1 week before contact with known causes of your allergies.
- children under 12 years of age: ask a doctor

Other information

- store between 15-29°C (59-84°F)

Inactive ingredients

benzalkonium chloride, benzyl alcohol, edetate disodium, glycerin, hydroxyethylcellulose, potassium chloride, potassium phosphate, purified water, sodium chloride, sodium phosphate
