**Gentle
Naturals®
Homeopathic
Teething Drops**

Drug Facts

Active ingredients	Purpose
Chamomilla (Chamomile) 3X, 6X, 12X, 30X	pain and sensitivity of teething, calming
Calcarea Phosphorica (Calcium Phosphate) 6X	pain and sensitivity of teething
Kali Phosphoricum (Potassium Phosphate) 6X	pain in mouth and gums
Magnesia Phosphorica (Magnesium Phosphate) 6X	pain and sensitivity of teething
Staphysagria (Delphinium Staphisagria) 9X	pain and sensitivity of teething

Uses

temporarily relieves sore gums and restlessness and irritability due to teething in infants and children 4 months and older

Warnings

Do not use more than directed.

When using this product

- fever and nasal congestion are not symptoms of teething and may indicate the presence of infection. If these symptoms do not go away, advise your physician or dentist.

Stop use and ask a physician or dentist if

- sore mouth symptoms do not get better in 7 days
- irritation, pain, or redness persists or worsens
- swelling, rash or fever develops

Keep out of reach of children. In case of accidental overdose, get medical help or contact a Poison Control Center right away.

Directions

- children and infants over 4 months of age, place one half dropper (0.5mL) under the tongue every 2 hours. Once symptoms improve reduce to 4 times daily.
- for infants under 4 months of age, ask a physician or dentist.

Other information

- Do not use if white neck band printed with "sealed for your protection" is broken or missing.
- Store tightly closed at room temperature 15°-25°C (59°-77°F).
- Keep carton for full drug facts.

Inactive ingredients

citric acid, glycerin, purified water, sodium benzoate
