PHYTOVET P CRÉME RINSE

Active Ingredients: Pramoxine HCl 1%, phytosphingosine salicyloyl 0.05%.

Inactive ingredients: Water, cetearyl alcohol, PEG-40 hydrogenated castor oil, stearylalkonium chloride, polysorbate-60, glycerin, dimethicone, fragrance, hydrolyzed oat protein, hydrolyzed wheat protein, methylchloroisothiazolinone, methylisothiazolinone.

Properties: Phyto P anti-itch crème rinse is formulated for the temporary relief of itching in dogs, cats, and horses. It contains pramoxine, a mild numbing agent, as well as colloidal oatmeal to soothe irritated skin. It also contains phytosphingosine, a pro-ceramide, to moisturize and help support a healthy skin barrier.

Indications: For the temporary relief of itching and skin irritations.

Directions for use: Shake well before use. Use 2-3 times per week until symptoms subside or as directed by your veterinarian. After bathing with Phyto P shampoo, apply this product. Starting with the skin abnormalities, massage a quarter-size amount of Phyto P crème rinse into the fur to reach the skin. Repeat until entire body is lightly coated. Leave on for 10 minutes before rinsing with cool water. For a rinse-free solution between baths, ask your veterinarian about Phyto P spray or mousse.

Cautions: For external use on dogs, cats, and horses only. Avoid contact with eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Wash hands after use.

Storage: Store at room temperature. Do not freeze.
