XYBIOTIC is an orally administered prescription probiotic/prebiotic formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed.#

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent disease.**

XYBIOTIC is manufactured in accordance with Current Good Manufacturing Practice for foods, using ingredients that have been approved by the U.S. Food and Drug Administration (FDA) as food additives or are "Generally Recognized as Safe" (GRAS) for their intended use.

**DOSAGE**

Usual adult dose is 1 capsule once or twice daily, or as prescribed by a licensed medical practitioner.

If you are pregnant or nursing, ask a healthcare professional.

XYBIOTIC should be administered under the supervision of a licensed medical practitioner.‡

## **SAFE HANDLING**

**PRECAUTION**Folic acid in doses above 1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations progress.† XYBIOTIC Capsules should only be used under the direction and supervision of a licensed medical practitioner.‡

**This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.**

PROBICHEW chews should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

## **KEEP OUT OF REACH OF CHILDREN**

## **STORAGE**

Store at 20°-25°C (68°-77°F); excursions permitted to 15°-30°C (59°-86°F) [See USP Controlled Room Temperature.]

## **HOW SUPPLIED HEALTH CLAIM**
