

HUMANE ACNE SPOT TREATMENT- benzoyl peroxide gel
Apprendista, LLC

HUMANE Acne Spot Treatment Gel

Drug Facts

Active ingredient

Benzoyl Peroxide 5%

Purpose

Acne Treatment

Use

for the treatment of acne.

Warnings

For external use only.

Do not use if you

- are sensitive to benzoyl peroxide
- have very sensitive skin.

When using this product

- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid unnecessary sun exposure and use a sunscreen.
- Avoid contact with eyes, lips and mouth. Avoid product contact with hair and dyed fabrics, which may be bleached by this product.
- Skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor

if irritation becomes severe.

Keep out of reach of children:

If swallowed, get medical help or contact a Poison Control Center right away.

If pregnant or breast-feeding,

ask a health professional before use.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Inactive ingredients

a-Bisabolol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Allantoin, Aloe Barbadensis Leaf (Aloe Vera Gel) Juice, Aqua (Deionized Water), Caprylyl Glycol, Cucumis Sativus (Cucumber) Extract, Glycyrrhiza Glabra (Licorice) Extract, Hexylene Glycol, Menthyl Lactate, Phenoxyethanol, Polysorbate-20, Potassium Sorbate, Propylene Glycol, Sodium Hydroxide
