BASIC DRUGS - NATURAL SENNA LAXATIVE - SENNOSIDES 8.6MG (0761-0790)

Active ingredient (in each tablet)

SENNOSIDES 8.6MG

Purpose

LAXATIVE

Uses

- for the relief of occasional constipation
- generally causes bowel movement in 6 to 12 hours

Warnings

Do not use laxative products when abdominal pain, nausea, or vomiting are present unless directed by a doctor.

Ask a doctor before use if you have

- noticed a sudden change in bowel habits that persists over a period of 2 weeks.

Ask a doctor or pharmacist before use if you

- are taking a prescription drug. Laxatives may affect how other drugs work. Take this product 2 or more hours before or after

other drugs.

When using this product

- do not use for a period longer than 1 week.

Stop use and ask a doctor if

- rectal bleeding or failure to have a bowel movement occur after use of a laxative. These may indicate a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children.

In case of accidental overdose, get medical help or contact a Poison Control Center right away.

Directions

- take preferably at bedtime or as directed by a doctor
- If you do not have a comfortable bowel movement by the second day, increase dosage by one tablet (do not exceed the maximum dosage) or decrease dose until you are comfortable.
