WALGREEN COMPANY

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Walgreens Acne Spot Treatment Gel

Active ingredient

Salicylic acid 2.0%

Purpose

Acne Medication

Uses

- For the treatment of acne

Warnings

For external use only

FLAMMABLE: Keep away from spark, heat, or flame.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away. Avoid contact with eyes. If contact occurs, flush thoroughly with water.

Directions

- Cleanse skin thoroughly before applying product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other information

May stain some fabrics

Acne Spot Treatment Gel

Walgreens

Compare to Clean & Clear® Advantage® Acne Spot Treatment active ingredient††

Walgreens Acne Spot Treatment Gel helps reduce oil on the skin instantly and opens pores to allow the salicylic acid to penetrate deep into pores. This oil-free formula helps clear pimples and prevent new ones, while reducing redness. Maximum strength 2% salicylic acid formula reduces the severity of acne pimples and allows the skin to heal.
