Boiron

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Arnicare Bruise Tablets

Active ingredient** (in each tablet)

Arnica montana 9C HPUS (2.5 mg)

The letters "HPUS" indicate that the components in this product are officially monographed in the Homeopathic Pharmacopoeia of the United States.

Purpose*

Arnica montana 9C HPUS (2.5 mg) ... Relieves discoloration, pain, and swelling associated with bruising

Uses*

reduces symptoms of bruising such as: discoloration, pain, swelling

Ask a doctor before use if

- bruising limits the range of motion of your eyes, limbs, head
- pain is severe
- bruising is frequent.

Stop use and ask a doctor if symptoms persist for more than 7 days or worsen, new symptoms occur, or if redness or swelling is present. These could be signs of a serious condition.

If pregnant or breastfeeding, ask a health profession before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

Adults and children 6 years of age and older - As soon as bruising occurs, dissolve 2 tablets in the mouth and repeat every hour for 2 more hours. Then, dissolve 2 tablets in the mouth every 6 hours until bruising has faded.

Children 2 to 5 years of age - Dissolve 2 tablets in 1 tablespoon of water for easier intake. Follow directions above.

Children under 2 years of age - Ask a doctor.

- do not use if glued carton end flaps are open or if the blister seal is broken
- store below 86° F (30° C)
