Phyto EFA Moisturizing Shampoo

Active ingredients: Phytosphingosine salicyloyl 0.02%.

Inactive ingredients: Water, sodium C14-16 olefin sulfonate, cocamidopropyl betaine, sodium chloride, sodium lactate, fragrance, glycerin, disodium cocoamphodiacetate, propylene glycol, hydroxypropyl methylcellulose, citric acid, tetrasodium EDTA, carthamus tinctorius (safflower) seed oil, methylchloroisothiazolinone, methylisothiazolinone.

Properties: Phyto EFA moisturizing shampoo is for grooming and moisturizing dry or sensitive skin. Emollients and fatty acids hydrate and soothe the skin and help control dryness and irritations. This low-lather shampoo also contains phytosphingosine, a pro-ceramide to help support a healthy skin barrier.

Indications: For the management of dry, irritated, or sensitive skin.

Directions for use: Bathe as needed or as directed by your veterinarian. Wet the animal with lukewarm water from the neck down and apply shampoo. Starting with a quarter-size amount of product, massage into the fur to reach the skin. Repeat until the entire body is lightly coated with shampoo. Rinse with lukewarm water. For a rinse-free treatment between baths, ask your veterinarian about Phyto EFA moisturizing mousse.

Cautions: For external use on dogs, cats, and horses only. Avoid contact with eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Wash hands after use.

Storage: Store at room temperature. Do not freeze.
