Curist Hemorroid Relief

Drug Facts

Active ingredient

Lidocaine 5%

Purpose

Anorectal (hemorrhoidal) cream

Uses

Helps relieve the pain, itching and burning associated with hemorrhoids and other anorectal disorders.

Warnings

For external use only.

When using this product

- avoid contact with eyes.
- do not exceed recommended dosage unless directed by a doctor.
- do not put this product into the rectum by using fingers or any mechanical device or applicator.

Stop use and ask a doctor if

- rectal bleeding occurs.
- condition worsens or does not improve within 7 days.
- allergic reaction occurs to ingredients in this product.
- symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase.
- symptoms clear up and return within a few days.

If pregnant or breastfeeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- When practical, clean the affected area with mild soap and warm water and rinse thoroughly. Gently dry by patting or blotting with toilet tissue or soft cloth before applying.
- Adults and children 12 years and older: apply externally to the affected area up to 6 times a day.
- Children under 12 years of age: consult a doctor.
