

ROCCOS OLD SCHOOL PEIRCING ARMOR- cetylpyridinium chloride spray
Rocco's Old School

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient: Purpose

Cetylpyridinium Chloride 0.045%Antimicrobial and Antiseptic Agent

Use:

- To promote healing of internal and external piercings.

Warnings:

When using this product, avoid contact with eyes. In case of contact with eyes, flush thoroughly with water. Do not use a q-tip, cotton bud, or cotton ball because small fibers can be pulled inside the healing piercing and cause irritation if not removed immediately. Cotton buds also bump around the jewelry and irritate the piercing. Never remove scabbing with your fingers--it can lead to possible infection.

When using this product

- You may experience mild irritation at application site.

Stop use and ask a doctor if

- You experience nausea or condition worsens or does not improve.
- If you experience pain, swelling or discharge it is important to contact your piercer or you will be at risk of losing your piercing and causing damage to your body.

Keep out of reach of children.

In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately.

Directions

- Always rinse hands with soap before cleaning.
- Spray liberally on clean piercing area as often as convenient and necessary.

Other information

- Store at room temperature. Do not store above 105°F.

Inactive ingredients

Purified Water/Aqua/Eau, MSM, Glycerin, Sodium Benzoate, potassium Sorbate, Polysorbate-20, Natural Flavor
