

COLD-EEZE PLUS IMMUNE SUPPORT- zinc gluconate, rosa canina leaf, and echinacea purpurea tablet, orally disintegrating
ProPhase Labs, Inc.

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Cold-EEZE®
PLUS Immune Support

Drug Facts

Active ingredient (per tablet)	Purpose
Zincum Gluconicum 1X	Cold Remedy
Rosa Canina L. (Rose Hip) 1X	Promotes Immune support
Echinacea Purpurea Extract 2X	Promotes Immune support

Uses

- to reduce the duration of the common cold.
- reduces the severity of cold symptoms: cough, sore throat, nasal congestion post nasal drip and/or hoarseness.
- supports immune system health.

Warnings

Ask a doctor before use if you

- are taking minocycline, doxycycline, tetracycline or are on Coumadin therapy, as zinc treatment may inhibit the absorption of these medicines.
- are under medical supervision for diabetes or have a skin condition called pemphigus vulgaris or have multiple sclerosis (MS), rheumatoid arthritis (RA), or an auto-immune condition.

Stop use and ask your healthcare practitioner if symptoms persist beyond 7 days.

Cold-EEZE® Plus Immune Support QuickMelts® is a combination product formulated to help you to reduce the duration of the common cold and its symptoms and promote immune system health. It is insufficient treatment for Influenza or Allergies.

If pregnant or breast feeding, ask a healthcare practitioner before use.

Keep out of reach of children.

Directions

- Take Cold-EEZE® Plus Immune Support QuickMelts® when you have cold symptoms.
- Adults:
 - Dissolve entire tablet in mouth. Do not chew. Do not swallow whole.
 - Take 1 tablet at the onset of symptoms.
 - Repeat every 2-4 hours as needed until all symptoms subside.
 - Do not eat or drink for 15 minutes after use, otherwise, drink plenty of fluids.
- Recommended daily dose is 6 tablets for adults.
- For individuals under the age of 18, consult a healthcare practitioner before use.

Other information

- Do not take on an empty stomach to avoid possible minor stomach upset.
- Echinacea might cause a slight tingling sensation on the tongue.
- Store in a cool and dry place.

Other ingredients

beta carotene, crospovidone, glycine, magnesium stearate, malic acid, mannitol, microcrystalline cellulose, natural menthol flavor, natural orange flavor, polyethylene glycol, silicon dioxide, sodium lauryl sulfate sodium starch glycolate, stevia, sucralose, talc.

COLD REMEDY

Cold-EEZE® QuickMelts® dissolve quickly in the mouth without water, releasing zinc ions in the mouth. Some scientific studies suggest that the released zinc ions inhibit the cold virus' ability to replicate.*

- are taking minocycline, doxycycline, tetracycline or are on Coumadin therapy, as zinc treatment may inhibit the absorption of these medicines,
- are under medical supervision for diabetes or have a skin condition called pemphigus vulgaris or have multiple sclerosis (MS), rheumatoid arthritis (RA), or an auto-immune condition.

Stop use and ask your healthcare practitioner if symptoms persist beyond 7 days.
