Gil Barricade

Film-Forming, Barrier-Type

12% Active Emollient System

For External Use Only on Dairy Cows

WARNING! May Cause Eye Irritation. May Be Harmful If Swallowed.

Keep Out Of Reach Of Children

Use on each teat as an aid in a complete cow health care program to help reduce the spread of organisms that may cause mastitis.

Not intended to cure or help the healing of chapped or irritated teats.

In case of irritation or chapping, have cow examined by a veterinarian.

Active Ingredient

Iodine 1.00%

Inactive Ingredients

Emollients, film-forming surfactants and buffering agents..... 99.00%

Important

Do NOT mix with any other teat spray, dip, or product.

Precautions

- KEEP FROM FREEZING. If frozen, discard.
- Do NOT get in eyes or on clothing. Do NOT take internally.
- Do NOT allow to contaminate food. Wash thoroughly after handling.
- Keep container tightly closed when not in use.
- Store in a cool, dry, well-ventilated area out of direct sunlight.

FIRST AID

EYES: Immediately flush eyes with plenty of water for at least 15 minutes occasionally lifting the upper and lower lids. Contact a physician immediately.

INGESTION: Do NOT induce vomiting. Drink large amounts of milk or water. Contact a physician immediately. Do not give anything by mouth to an unconscious person.

Post-Dip Use Directions

Always use fresh, undiluted product. If product becomes visibly dirty, discard contents and refill with fresh product. Do NOT reuse or return used product to original container.

Immediately after milking, fill teat cup with undiluted product and submerge entire teat. Allow to air dry—do NOT wipe. Do NOT let cows out in freezing weather until completely dry.
