[How to Use]

After finishing your basic skincare, apply an appropriate amount of this cream all around the face.

[CAUTION]

For external use only. Avoid contact with eyes. Keep out of children's reach.

Benefits of Natural Skinade B.B Cream:

1. **Foundation Effect:** Cover up skin blemishes naturally and make your skin look natural and bright by correcting your skin tone naturally, almost similar to your actual skin tone.
2. **Make-up Base Effect:** Cover up your skin tone clearly and naturally and maintain its fresh makeup for long by improving its makeup fitness to the skin.
3. **UV Protection (SPF20/PA++):** By blocking the UV A and B at the same time, it protects your skin from the sunlight and harmful environments.
4. **Moisturizing and Nourishment:** Its small molecule Sodium Hyaluronic Acid, radicle extract and fermented soybean supply moisture to the skin to maintain its softness and freshness.
5. **Skin Soothing and Sebum Control:** By containing mushroom and persimmon leaf extract, it eliminates extra sebum and alleviates the skin to keep your skin fresh all day long.
