We are Drs. Lisa and Vanessa Creaven, dentists, sisters and moms. As dentists, we know most people basic coming to see us, but the truth is, great oral health can really be achieved at home. So we created a collection of safe, clinically proven products for our patients, families and friends. We hope you love them as much as we do. Welcome to the family.

This toothpaste helps to replenish and remineralize lost enamel. Containing the active ingredients Sodium Fluoride and Potassium Nitrate, as well as Hydroxyapatite, it's been designed to strengthen and protect enamel to reduce enamel erosion and loss.
