-----

**Belli Acne Control Spot Treatment**

**Belli Acne Control Spot Treatment**

**Active ingredient**

Colloidal Sulfur 3%

**Purpose**

Anti-Acne Agent

**Uses**

- reduces the severity of acne blemishes
- helps prevent new acne blemishes

**Warnings**

**For external use only. Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor. Do not get into eyes. If excessive skin irritation develops or increases, discontinue use and consult a doctor.**

**When using this product**

- keep out of eyes
- rinse with water to remove

**Stop use and ask a doctor if**

- rash or skin irritation develops

**Keep out of reach of children**

In case of accidental ingestion, contact a Poison Control Center immediately.

**Directions**

- cleanse the skin thoroughly before applying medication
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a physician
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

**Other information**

- store below 77 degrees F / 25 degrees C

**Inactive ingredients**

Caprylyl Glycol, Chamomilla Recutita (Matricaria) Flower Extract, Cucumis Sativus (Cucumber) Fruit Extract, Deionized Water, Ethylhexylglycerin, Leuconostoc/Radish Root Ferment Filtrate, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Potassium Sorbate, Sodium PCA, Xanthan Gum
