Rite Aid

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredients

Lanolin 15.5%

Petrolatum 53.4%

Purpose

Skin protectant

Uses

- helps treat and prevent diaper rash
- temporarily protects minor: cuts, scrapes, burns
- temporarily protects and relieves chapped, chafed or cracked skin and lips
- helps protect from the drying effects of wind and cold weather

Warnings

For external use only

When using this product

- avoid contact with eyes. If contact occurs, rinse with water.

Stop using this product and ask doctor if

- condition worsens
- symptoms last for more than 7 days or clear up and occur again within a few days.

Do not use on

- deep or puncture wounds
- animal bites
- serious burns

Keep out of reach of children.

- In case of accidental ingestions, get medical help or contact a Poison Control Center immediately.

Directions

- for skin protectant use and apply as needed
- for diaper rash use: change wet and soiled diapers promptly. Clean the diaper area, and allow to dry. Apply ointment as often as required, with each diaper change, especially at bedtime or anytime when exposure to wet diapers may be prolonged.
