

**MODESA ACNE TREATMENT- benzoyl peroxide cream**  
**Zhejiang Jingwei Pharmaceutic Al Co., Ltd.**

-----  
**Active ingredients**

Benzoyl peroxide 10%

**Purpose**

Acne medication

for the treatment and prevention of acne pimples **Uses**

**Warnings**

**•For external use only**

**Do not use**

•if you have sensitive skin or are sensitive to benzoyl peroxide

**When using this product**

•avoid contact with eyes, lips and mouth •avoid contact with hair or dyed fabrics including carpet and clothing which may be bleached by this product •with other topical acne medications, at the same time nor immediately following use of this product, increased dryness or irritation of the skin may occur. If this occurs, only one medication should be used unless directed by a doctor •skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. More frequent use or higher concentration may aggravate skin irritation. Mild irritation may be reduced by using the product less frequently or in a lower concentration •avoid unnecessary sun exposure and use a sunscreen

**Stop use and ask a doctor**

•if skin irritation becomes severe

In case of accidental ingestion, **Keep out of reach of children.**  
get medical help or contact a Poison Control Center immediately.

**Directions**

•cleanse the skin thoroughly before applying medication  
•cover the entire affected area with a thin layer one to three times a day

- because excessive drying of the skin may occur, start with one applicaiton daily, then gradually increase to two to three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day
  - if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor
    - keep tightly closed **Other information**
  - store at room temperature 68° - 86° F (20° - 30°C).
    - aluminum hydroxide, bentonite, **Inactive ingredients**
    - carbomer, glycerin monostearate, isopropyl myristate, methylparaben, peg-12, potassium hydroxide, propylene glycol, propylparaben, water
