- Deep Cleansing
- Moisturizing

keep out of reach of the children

1. Melt down the makeup residues by rolling as if massaging the soft jelly according to the skin texture after putting a proper amount of product on the face without water.
2. Do the final cleansing with plentiful cushion bubbles and wash off clearly with the tepid water.

(You don't need to use the separate cleanser or soap.)

1. If the following symptoms occur after product use, stop using the product immediately and consult a dermatologist (continuous use can exacerbate the symptoms).
  - 1) Occurrence of red spots, swelling, itchiness, and other skin irritation
  - 2) If the symptoms above occur after the application area is exposed to direct sunlight
2. Do not use on open wounds, eczema, and other skin irritations
3. Precaution for Storage and Handling
  - 1) Close the lid after use
  - 2) Keep out of reach of infants and children
  - 3) Do not store in a place with high/low temperature and exposed to direct sunlight
4. Prevent the grains from entering your eyes during use.
5. Close your eyes during rinse for the product not to enter your eyes.
6. When grains entered your eyes, don't rub your eyes but wash off by water. When they remain as they are, see a specialist for consultation.

for external use only
