New Avon LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active ingredient

Salicylic Acid 2.0%.....

Purpose

..... Acne Treatment

USES

- for the treatment of acne
- clears up acne blemishes
- helps prevent new acne blemishes from forming

WARNINGS

For external use only

When using this product

- Avoid contact with eyes. If product contacts eyes, rinse thoroughly with water. If irritation persists, seek medical attention.
- Using other topical acne medications at the same time or immediately after this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a health care practitioner.

Stop use and ask a doctor if

- rash or irritation develops and persists

Keep out of reach of children.

- If swallowed, get medical help or contact a Poison Control Center right away.

DIRECTIONS

Use daily in the shower or bath.

Squeeze an appropriate amount of product onto wet hands

Lather onto skin with a gentle, circular motion, and leave on for 30 seconds. Rinse with warm water and gently pat dry.

OTHER INFORMATION

DO NOT USE IF SEAL IS BROKEN.
