Renewal Face Water Gel helps skin care for each condition.

The natural ingredients of Renewal Face Water Gel restore the moisture balance to tired skin and quickly soothe skin.

It provides nutrition, moisture, etc. to your skin effectively and makes healthy and beautiful skin.

The highly concentrated and transparent gel is immediately penetrated into skin and maximizes effectiveness of LEBODY FACE.

It can be used as a serum as well as a moisturizing pack and protects skin barrier by nourishing high concentration natural ingredients.

DIRECTION : Apply this solution to the area where you want to use LIFTING mode of LEBODY FACE after cleansing and drying the face.

After completing device operation, penetrate left gel on the face as slightly tapping by hands. In case of sensitive skin, please wash the remaining water gel with room temperature water.

CAUTION
