NET WT 1.58 OZ (45g)

What does Capsiva do?

- Temporarily Relieves Minor Arthritis Pain Without Heat or Burning
- Offers Safe Relief
- No Known Drug Interactions
- Uses Homeopathic Active Ingredients

Capsiva does NOT cause any negative side effects and is safe for all pre-existing conditions.

How does Capsiva work?

The homeopathic active ingredients in Capsiva have been used for centuries. These include:

- Capsaicin, a molecule that's commonly used to relieve minor joint pain.
- Arnica, an herb that has been trusted since the 1600s as a remedy for minor muscle aches.

Our team at Capsiva was able to create a breakthrough formula, allowing for no-heat relief that's safe for all pre-existing conditions without known side effects or drug interactions.

Temporarily relieves minor arthritis pain with Capsiva, and enjoy real relief without the risk.*

Drug Facts

Active ingredients	Purpose
Calcium Annum 1X.....	Topical Analgesic
Arnica Montana 1X.....	Topical Analgesic

Uses

Temporarily relieves minor pain associated with: • arthritis • muscle • back • joint. There is no scientific evidence that the product works. The product's claims are based only on theories of homeopathy from the 1800s that are not accepted by most medical experts.

Warnings

For external use only

When using this product

Capsiva:

- Odor Free
- Non-Greasy
- Absorbs Fast
- No Heat

30-Day Money Back Guarantee*

Researchers have always known about the minor pain-relieving properties of the chemical capsaicin, found in the homeopathic ingredient calcium annuum. In the past, calcium annuum would cause skin irritation and an uncomfortable burning sensation.

But Capsiva is different. We figured a way to unlock the benefits of calcium annuum without the burning or side effects.

Enjoy real, risk-free* relief with Capsiva.
