Ethyl Alcohol 65% v/v. Purpose: Antiseptic

Antiseptic, Hand Sanitizer

Hand Sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

For external use only. Flammable. Keep away from heat or flame

in children less than 2 months of age
on open skin wounds

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.

Store between 15-30C (59-86F)

Avoid freezing and excessive heat above 40C (104F)

water, glycerin, fragrance, aloe vera (aloe barbadensis) leaf juice, hyaluronic acid, denatonium benzoate

ULTRA HYDRATION
WITH HYALURONIC ACID

Many hand sanitizers dry out your hands, causing uncomfortable cracking or peeling that could expose you to more harmful bacteria. OLIKA's uses moisture-retaining hyaluronic acid and aloe to quench dry hands with long-lasting hydration while removing 99.9% of germs. The carabiner clip makes it easy to take it with you wherever you go! Find out what's different about OLIKA.

Cruelty-free

Conscious ingredients

Vegan formulation

15x More uses than similarly sized gels
