

ACNE WIPES- salicylic acid swab
Shanghai Yinjing Medical Supplies Co., Ltd.

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Active ingredient

Salicylic Acid 0.5%

Purpose

Acne Treatment

Use for the treatment of acne

Warnings

For external use only.

Ask a doctor or pharmacist before use if you are using other topical acne medications at the same time or immediately following use of this product.

When using this product

-skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

-avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

-use daily to get clear skin.

-clean the skin thoroughly before applying this product.

-cover the entire affected area one to three times daily.

-because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

-if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

-throw away cloth (do not flush).

Other information store at room temperature.
