Neutrogena T/Gel Therapeutic Shampoo Original Formula

Drug Facts

Active ingredient

Coal Tar 0.5%

(2% Neutar[®] Solubilized Coal Tar Extract)

Purposes

Anti-dandruff, Anti-seborrheic dermatitis, Anti-psoriasis

Use

Controls the symptoms of dandruff, seborrheic dermatitis and psoriasis.

Warnings

For external use only.

Do not use

- for prolonged periods without consulting a doctor.
- this product with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed to do so by a doctor.

Ask a doctor before use if you have a condition that covers a large area of the body.

When using this product

- Avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.
- Use caution in exposing skin to sunlight after applying this product. It may increase your tendency to sunburn for up to 24 hours after application.

Stop use and ask a doctor if condition worsens or does not improve after regular use of this product as directed.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- For best results, use at least twice a week or as directed by a doctor.
- Wet hair thoroughly.
- Massage shampoo into your scalp.
- Lather, leaving on your hair and scalp for a few minutes.
- Rinse and repeat.

Other information

- In rare instances, temporary discoloration of gray, blonde, bleached, or tinted hair may occur.
- Store away from direct sunlight.
- Protect from excessive heat and freezing.
