

DR. ZENOVIA SPOT TREATMENT- benzoyl peroxide liquid
Topiderm, Inc.

Dr. Zenovia Spot Treatment

Drug Facts

Active Ingredient

Benzoyl Peroxide 5.0%

Purpose

Acne Treatment

Uses

- For the treatment and management of acne
- Penetrates pores to eliminate most acne and blemishes
- Helps prevent development of new acne blemishes and blackheads

Warnings

For external use only

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If product is swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Blend a thin layer to affected area.
- Use once a day and increase to two or three times daily as needed.
