CVS Fiber Therapy Methylcellulose 500 mg 100 Caplets

Active ingredient (in each caplet)

Methylcellulose (a non-allergenic fiber) 500 mg

Purpose

Bulk-forming laxative

Uses

- Relieves occasional constipation (irregularity)
- Generally produces a bowel movement in 12-72 hours

Warnings

Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Ask a doctor before use if you have

- abdominal pain, nausea or vomiting
- a sudden change in bowel habits that persists for 2 weeks

Stop use and ask a doctor if

- constipation lasts more than 7 days
- You have rectal bleeding

These could be signs of a serious condition.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away at 1-800-222-1222.

Directions

Take this product (child or adult dose) with at least 8 ounces (a full glass) of water or other fluid. Taking this product without enough liquid may cause choking.

See choking warning.
