Purpose

Use for the treatment of acne

Warnings For external use only

Do not use

- If you have a known allergy to salicylic acid or aspirin.

When using this product

- Using other topical acne medications at the same time or immediately following use of this product may increase dryness, redness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.
- Avoid contact with lips and mouth. Do not get into eyes. If contact occurs, flush thoroughly with water. Keep away from lips and mouth.

Stop use and consult a doctor if excessive skin irritation develops or increases, discontinue use and consult a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Gently massage into clean wet skin for two to three minutes until mask turns light blue for maximum absorption. Leave on for an additional 10 minutes, until dry. Rinse off with warm water and pat dry. You may experience a tightening and cooling effect. Some individuals may find the cooling feeling too strong - simply rinse off the mask immediately if uncomfortable. Use 2-3 times per week, or as desired. Avoid eye and lip areas. **Avoid unnecessary sun exposure and use a sunscreen.**
