

**MEDICATED CORNSTARCH BABY POWDER- active corn starch powder
Davion, Inc.**

Medicated Cornstarch Baby Powder

Active Ingredients

Corn Starch 79%

Kaolin 4%

Zinc Oxide 15%

Purposes

Skin Protectant

Uses

- Prevents chafed skin and reduces minor skin irritations due to diaper rash
- Helps protect from wetness

Warnings

For external use only.

When using this product

- Avoid contact with eyes
- Do not use on broken skin
- Keep powder away from child's face to avoid inhalation which can cause breathing problems

Stop use and ask a doctor if

- If conditions worsen or symptoms do not get better within 7 days

Keep out of reach of children.

If ingested, get medical help or contact a Poison Control Center immediately.

Directions

Babies: Change wet and soiled diaper promptly, cleanse the diaper area and allow to dry. Apply powder liberally as often as necessary, with each diaper change, especially at bedtime, or anytime when exposure to wet diapers may be prolonged. Apply powder close to the body away from child's face. Carefully shake the powder into the diaper or into the hand and apply to diaper area.

Adults and children 2 years and older: apply freely up to 3 or 4 times daily. For best results, dry skin thoroughly before applying.

Inactive ingredients

Fragrance, Silica
