Stop use

if irritation and redness develop. If condition persists for more than 72 hours, consult your doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions:

Wipe injection site vigorously and discard.

Other information:

Store at room temperature 15°-30° C (59°-86° F)

Inactive ingredient:

Purified water.

Package Labeling:

Made in China

REFILL INSTRUCTIONS

1. Remove old box from tabbed grid by slightly squeezing the front of box and pull straight out.
2. Insert the new product box into the grid with the removable panel facing the front, pushing it past the tabs, locking it into place.
3. Remove the upper half of the box front panel by hooking your finger into the hole, and pulling back. This will tear along the perforated edge and give access to the first aid product.
