

HUMCO CASTOR OIL- castor oil liquid
Pharma Nobis, LLC

Private Label Castor Oil, USP (Odorless - Tasteless)

Drug Facts

Active Ingredient

Castor Oil

Purpose

Stimulant Laxative

Use

For the temporary relief of occasional constipation. Bowel movement is generally produced in 6 to 12 hours.

Warnings

Do not use when abdominal pain, nausea, or vomiting are present unless directed by a doctor.

Ask a doctor before use

if you have noticed a sudden change in bowel habits that persists over a period of 2 weeks. Laxative products should not be used for a period of longer than 1 week unless directed by a doctor. Frequent or prolonged use may result in the dependence on laxatives.

When using this product

Discontinue use and consult a doctor if you have rectal bleeding or failure to have a bowel movement after the use of a laxative. These symptoms may indicate a serious condition.

If pregnant or breast feeding

ask a health professional before use

Keep out of reach of children.

In case of accidental overdose, seek professional assistance or contact a Poison Control Center immediately.

Directions

Preferably take on an empty stomach. May be taken with juice to improve taste.

Adults and children 12 yrs. of age and older: 15 to 60 milliliters in a single daily dose or as directed by a doctor.

Children 2 to under 12 yrs. of age: 5 to 15 milliliters in a single dose or as directed by a doctor.

Children under 2 yrs. of age: Consult a doctor before use.

WARNINGS:

Do not use if Taper Evident Seal is broken or missing. This product is sealed with either a shrink band around cap imprinted "Sealed For your Protection" or foil seal under cap.

Other Information

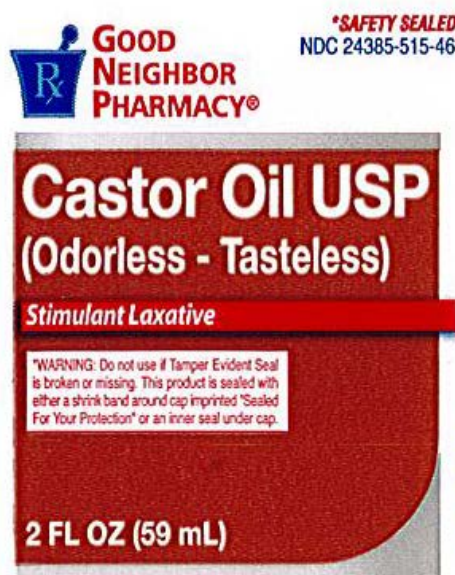

storage. Keep tightly closed and away from excessive heat.

Información sobre el Medicamento

Ingrediente Activo *Propósito*
Aceite de Ricino.....Laxante estimulante

Uso Para el alivio temporal del estreñimiento ocasional. Generalmente se produce un movimiento intestinal en 6 a 12 horas.

Advertencias

• No utilice este producto cuando hay dolor abdominal, náuseas, o vómito a menos que sea indicado por un médico.

Consulte un médico antes de usar este producto si ha notado cambios súbitos, que persisten por más de 2 semanas, en sus hábitos intestinales. Los productos laxantes no deben ser usados por un período de más de 1 semana a menos que sea indicado por un médico. Si uso frecuente o prolongado puede resultar en dependencia de los laxantes.

Al utilizar este producto

Suspenda el uso de este producto y consulte un médico si tiene sangrado rectal o no puede tener evacuación intestinal después de usar un laxante. Estos síntomas pueden ser indicio de una condición seria.

Si está embarazada o lactando consulte un profesional de la salud antes de utilizar este producto.

Mantenga fuera del alcance de los niños. En caso de sobredosis accidental, busque ayuda profesional o contacte un Centro de Control de Envenenamiento inmediatamente.

Active ingredient	Purpose
Castor Oil.....	Stimulant laxative
Use For relief of occasional constipation. Bowel movement is generally produced in 6 to 12 hours.	
Warnings ■ Do not use when abdominal pain, nausea, or vomiting are present unless directed by a doctor. ■ Ask a doctor before use if you have noticed a sudden change in bowel habits that persists over a period of 2 weeks. Laxative products should not be used for a period of longer than 1 week unless directed by a doctor. Frequent or prolonged use may result in the dependence on laxatives.	
When using this product Discontinue use and consult a doctor if you have rectal bleeding or failure to have a bowel movement after the use of a laxative. These symptoms may indicate a serious condition.	
If pregnant or breast feeding ask a health professional before use.	
Keep out of reach of children. In case of accidental overdose, seek professional assistance or contact a Poison Control Center immediately.
