Drug Facts

Active Ingredient/Purpose

Benzethonium Chloride.....0.1%

Thymol.....0.1% □

Inactive Ingredients

Emollients, botanical extracts, and FD&C color.....99.80%

Uses

Teat dip is an aid in reducing the spread of microorganisms which may cause mastitis.

Helps maintain udder hygiene and promote healthy skin

Caution

For external use only * Not for human use * Keep out of reach of children

Directions for use

IMPORTANT: Do not mix FORTICEPT™ UDDER FORTE Teat Dip with water, other teat dips, or any other products. When transferring from this container to any other, make sure that the other container is clean and is the proper container for dipping.

If product in dip cup becomes visibly dirty, discard contents and refill with undiluted product. Do not reuse or return any unused product to the original container.

PRIOR TO MILKING: Wash teats thoroughly right before milking with FORTICEPT™ UDDER WASH solution or pre-milking teat wash to avoid contamination of milk. Teats should be dried with single-service towels. Use proper procedures for udder washing.

POST-MILKING DIPPING: Immediately after each milking, use FORTICEPT™ UDDER FORTE Teat Dip. Submerge each teat full-length into the teat dip cup. Allow to air dry. Do not wipe. Always use fresh, full-strength FORTICEPT™ UDDER FORTE Teat Dip.

Storage and handling

Keep container closed when not in use. Do not store below 32F/0°C or above 95F/35°C for extended periods. In case of spill, flood area with water.

FIRST AID

Eye contact: In case of contact, immediately flush eyes with cool running water.

Remove contact lenses and continue flushing with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

Skin contact: Wash the skin with water and soap. Wash clothing before reuse.

Ingestion: DO NOT induce vomiting unless directed to do so by medical personnel.

If large quantities of this material are swallowed, call a poison control center immediately.

The logo features the word "forticept" in a lowercase, sans-serif font, slanted upwards from left to right. It is set against a white background that forms a stylized, overlapping geometric shape resembling a large letter 'A' or a series of nested triangles. The background of the entire graphic is a solid teal color.

The image features a teal background with a white geometric shape resembling a stylized 'F' or a folded piece of paper. The word 'forticept™' is written in a white, lowercase, sans-serif font across the top of this shape. Below this, the product name 'FORTICEPT™' is written in a bold, black, uppercase, sans-serif font. Underneath, 'UDDER FORTE' and 'SANITIZING TEAT DIP' are written in a smaller, black, uppercase, sans-serif font. Further down, 'IODINE FREE, PHOSPHORUS FREE' and 'EMOILENT SYSTEM' are written in a smaller, black, uppercase, sans-serif font. Below that, 'With natural extracts of' is written in a smaller, black, uppercase, sans-serif font, followed by 'Chamomile & Yarrow' in a bold, black, uppercase, sans-serif font. A light teal silhouette of a cow is visible in the background, partially obscured by the text. At the bottom, 'Teat dip is an aid in reducing the spread of microorganisms which may cause mastitis' is written in a smaller, black, uppercase, sans-serif font. Finally, 'For Veterinary Use Only' is written in a bold, black, uppercase, sans-serif font, and '2.64 Gal. / 10L' is written in a bold, black, uppercase, sans-serif font at the very bottom.
