Perio Max Plus

Active Ingredient

Hydrogen Peroxide 1.7% (w/w)

Purpose

Wound Cleanser

Indications and Uses

For temporary use in cleansing minor oral wounds and treatment of inflammation resulting from dental procedures or other irritations of the mouth and gums. Perio Armor may be used for decreasing the presence of plaque, a known factor in the development of gingivitis and tooth decay.

Directions

For children under 2 years of age, consult a dentist or physician before use. For adults and children 2 years of age or older: 1. Remove cap and cut the tip of the tube at the narrow end. 2. Apply several drops of the gel directly onto the affected area in the mouth. 3. Leave the gel on the affected area for at least 60 seconds, then spit. 4. Use up to 4 times daily after meals, at bedtime, or as directed by a dentist or physician.

Other Information

Store at room temperature between 20-25° C (68-77° F) and away from direct sunlight. Do not use if the tube has been damaged or tampered in any way

Inactive Ingredients

Ethyl Alcohol, Menthol, Methyl Salicylate, Phosphoric Acid, Poloxamer 407, Polysorbate 20, Potassium Sorbate, Sodium Saccharin, Sorbitol, Water

Question or Comments?

(800)437-1514 or www.gingi-pak.com.

Warning

Do not use Perio Armor for more than 7 days unless directed by your dentist or physician.

Stop use and consult your dentist or physician if: • Symptoms do not improve within 7 days • Irritation, pain, or redness persists or worsens • Swelling, rash, or fever develops

Keep out of reach of children.
