Care One (American Sales Company)

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active ingredient

Magnesium citrate 1.745g per fl. oz.

Purpose

Saline laxative

Uses

- relieves occasional constipation (irregularity)
- generally produces bowel movement in 1/2 to 6 hours

Warnings

Do not use

laxative products for longer than 1 week unless directed by a doctor.

Ask a doctor before use if you have

- kidney disease
- a magnesium restricted diet
- a sodium restricted diet
- stomach pain, nausea, or vomiting
- noticed a sudden change in bowel habits that last more than 1 week

Ask a doctor or pharmacist before use if you are

presently taking a prescription drug.

When using this product,

do not exceed the maximum recommended daily dosage in a 24 hour period.

Stop use and ask a doctor if

you have rectal bleeding or no bowel movement after use. These could be signs of a serious condition.

If pregnant or breast feeding

ask a health professional before use.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center (1-800-222-1222) right away.
