Potent Mixture
of Botanicals

200 mL /
6,76 oz

Sundermia is a unique topical analgesic herbal gel, specifically formulated to help with the recovery and relief of the skin damaged due to excessive sun exposure. The formula contains a potent mixture of botanicals and bio-active substances -such as beta-glucans- which intensely soothe and actively support the regeneration of the tanned skin.

- Soothes and intensively nourishes the tanned skin
- Helps recovery of the skin and prevent skin peel-offs
